

PUBLIC NOTICE

The Department of Planning and Natural Resources-Division of Environmental Protection (DPNR-DEP) Air Pollution Control program received an initial Title V of the Clean Air Act application for the:

Anguilla Landfill No. 1 Estate Anguilla Kingshill, VI 00850

The application is for the operation of the Anguilla landfill along with a proposed gas collection and control system as well as a candlestick flare located at No. 1 Estate Anguilla. Listed below are the proposed sources of emissions.

- A 35-acre landfill surface area with wastes deposited up to depths of 70 feet.
- A gas collection and control system is designed to handle a maximum flow of 620 standard cubic feet per minute of landfill gas. This system includes the installation of 55 subsurface monitoring wells.
- One open flare capable of combusting all of the landfill gas that is generated, collected and routed via a subsurface piping system.

During operation, the above mentioned sources will emit non-methane organic compounds, particulates, nitrogen oxide, carbon monoxide, sulfur dioxide, hydrocarbons into the atmosphere.

The Anguilla is classified as an existing landfill under the New Source Performance Standards (NSPS) and is therefore required to submit a Title V Operating Permit application.

Copies of the application and draft permit are available for review beginning Wednesday, July 6, 2016, for thirty calendar days, and ending August 5, 2016 at the following locations:

Florence Williams Public Library, Christiansted, St. Croix, VI 00820
Athalie Petersen Public Library, Frederiksted, St. Croix, VI 00820

WRITTEN COMMENTS shall be sent to:

Norman D. Williams, Director
Division of Environmental Protection
45 Mars Hill
Frederiksted, St. Croix USVI 00840

Written comments will be received no later than August 5, 2016. A public hearing will be held at the University of the Virgin Islands' Great Hall on August 25, 2016 at 6:00 pm.

Additional information may be obtained by calling Ms. Verline Marcellin, Environmental Program Manager, at (340) 773-1082.
