**QUEEN CONCH CLOSED TO FISHING
JUNE 1, 2019, UNTIL OCTOBER 31, 2019
AS PER V.I. CODE TITLE 12, CHAPTER 9A, SECTIONS 304 and 316**

Commissioner Designee Jean-Pierre L. Oriol of the Department of Planning and Natural Resources announces that the annual queen conch seasonal closure commences on **June 1, 2019**, for both the St. Croix and St. Thomas/St. John Districts, as established by regulation effective July 1, 2008.

**HARVESTING OF QUEEN CONCH IS PROHIBITED FROM JUNE 1, 2019 THROUGH OCTOBER 31, 2019.
POSSESSION OF QUEEN CONCH IS PROHIBITED FROM JUNE 15, 2019, THROUGH OCTOBER 31, 2019.**

Seasonal harvest closures conserve fished populations and help sustain and improve the fisheries of the Virgin Islands. The conch season will reopen on **November 1, 2019**, and will remain open until midnight, **May 31, 2020**, or until the 50,000 lb. quota per district is reached, whichever comes first.

Commissioner Designee Oriol also advises the public that harvesting and/or possession of Mutton and Lane Snapper are prohibited Territory-wide from **April 1 to June 30, 2019**.

DPNR asks for everyone's cooperation to protect Virgin Islands resources for the present and future benefit of the people of the Virgin Islands.
