FAX: (340) 773-1716

## **PUBLIC NOTICE**

Commissioner Jean-Pierre L. Oriol of the Department of Planning and Natural Resources informs the public that the following St. Croix Coastal Zone Committee Meetings are scheduled for Tuesday, December 10, 2019 at 6:00pm in the conference room at the Henry E. Rohlsen Airport, Terminal Building, Second Floor.

The agenda is as follows:

### *Public Hearing:*

#### **CZX-3-20(L&W) Virgin Islands Port Authority – Wilfred "Bomba" Allick Port Facility**

Virgin Islands Port Authority proposes to obtain a Master Permit for the Wilfred "Bomba" Allick Container Port Facility. The Master Permit would bring the facility originally constructed by HESS into compliance with the VI Coastal Zone Management Act, consolidate all other permits, and permit a new warehouse building to replace the warehouse which was destroyed by the 2017 hurricanes. The proposed project is located at and seaward of Plot No. 8 Estate Hope and Plot No. 2 Limetree Bay Filled Submerged Land, Christiansted, St. Croix.

### *Decision Meeting:*

#### **CZX-10-09(L) DIAGEO USVI, Inc.**

DIAGEO USVI, Inc. proposes to further modify its current permit to allow for the to install a new anaerobic digester (AD Plant) at site to improve the existing wash water system and manage the volumes of wastewater streams being produced to replace the old anaerobic digesters (R1, R2 & R3) which are no longer operable since Hurricane Maria. The treat process will reduce the volume of sludge being produced currently in the aerobic phase of the wash water treatment system and reduce the electricity consumption. The proposed project is located at Plot No. 1 Estate Annaberg and Shannon Grove on the southshore of St. Croix.
