*Decision Meeting:*

**CZX-3-20(L&W) Virgin Islands Port Authority - Wilfred "Bomba" Allick Port Facility**

Virgin Islands Port Authority proposes to obtain a Master Permit for the Wilfred "Bomba" Allick Container Port Facility. The Master Permit would bring the facility originally constructed by HESS into compliance with the VI Coastal Zone Management Act, consolidate all other permits, and permit a new warehouse building to replace the warehouse which was destroyed by the 2017 hurricanes. The proposed project is located at and seaward of Plot No. 8 Estate Hope and Plot No. 2 Limetree Bay Filled Submerged Land, Christiansted, St. Croix.
