

For USVI Residents & Property Managers

RESIDENTIAL DRINKING WATER & WASTEWATER SYSTEMS ONLINE TRAINING

Saturday, June 6, 2020, 10:00 am to 12:00 pm

Organized by:

Learn more about your drinking water and wastewater systems and how to operate, maintain and test them.

At the end of the training, you will have an opportunity to ask professional technicians about your system.

Register at:

<https://attendee.gototraining.com/r/7143387814584714497>

Training ID: 474-436-620

Complete your registration as soon as possible. Limited space. "First come, first served" basis.

Questions? Contact: Rachel McKinley at Water@CoralBayCommunityCouncil.org or call 340-776-2099

This workshop is supported by USDA and HHS grants awarded to
