Commissioner Jean-Pierre L. Oriol of the Department of Planning and Natural Resources informs the public that the following St. John CZM Committee Decision Meeting is scheduled for Thursday, April 22, 2021 at 4:00 pm. In an effort to help to reduce the global spread of the coronavirus (COVID-19), this meeting will be held via the video conferencing platform Zoom.

The agenda is as follows:

#### *Decision Meeting:*

Eastern Federal Lands Highway Division of the Federal Highway Administration in conjunction with the VI Department of Public Works (Federal Consistency Determination No. CZT-01-21(FC)) proposes to repair damage caused by Tropical Storms/Hurricanes Irma and Maria for 5 roadway sites on St. John, 3 of which are anticipated to potentially impact the Coastal Zone Management Area. The project is not anticipated to expand the footprint of the roadway for the sites, although there may be some temporary disturbance outside the existing footprint for construction. The majority of the sites affected were impacted by landslides caused by storms. Roadways of interest are Route 104, Site 2; Route 107; and Route 1041 Fish Bay Road, St. John, US Virgin Islands.

Please note that this is a Decision Meeting; therefore, public testimony will not be heard. The following information should be used to view the meeting:
