**FOR IMMEDIATE RELEASE**

**BEACH ADVISORY**

The Department of Planning and Natural Resources (DPNR) announces that the Beach Water Quality Monitoring Program, which evaluates weekly water quality at popular swimming beaches throughout the Territory by sampling for Enterococci, Bacteria and Turbidity, which is a measure of water clarity, advises the public of the following:

DPNR performed water quality analysis at 34 designated beaches throughout the Territory during the week of August 23, – August 27, 2021. The following beaches meet water quality standards and are considered safe for swimming and fishing:

<b>St. Croix</b>		
Stony Ground	Pelican Cove	Buccaneer
Halfpenny Beach	Cane Bay	Shoy's Beach
Princess (Condo Row)	Protestant Cay	Frederiksted Public Beach
Cramer's Park	New Fort (Ft. Louise Augusta)	Rainbow Beach
Chenay Bay		

<b>St. Thomas</b>		
Water Bay	Sapphire Beach	Lindqvist Beach
Bolongo Bay	Vessup Bay	Frenchman's Bay
Bluebeard's Beach	Secret Harbor	
Magen's Bay	Lindbergh Bay	
Brewer's Bay	Hull Bay	

<b>Water Island</b>		
Honeymoon Beach		

<b>St. John</b>		
Cruz Bay		

Oppenheimer
Johnson Bay
frank Bay

**The following beaches do not meet water quality standards because they exceed the established Enterococci Bacteria threshold and therefore are not considered safe for swimming or fishing:**

- *Great Cruz Bay on St. John*
- *Dorsch Beach and Sprat Hall on St. Croix*
- *Coki Point on St. Thomas*

**Please note: Samples were not collected at the following beaches:**

- *Gentle Winds, Columbus Landing and Grapetree Bay on St. Croix*

*Therefore, the water quality at these beaches is unknown.*

All persons should be aware that storm water runoff may also contain contaminants or pollutants harmful to human health, and therefore, should avoid areas of storm water runoff (i.e. guts, puddles, and drainage basins) or any area that appears discolored or has foul odors. DPNR will continue to monitor impacted areas and waters.

For additional information regarding water quality call the Division of Environmental Protection at 773-1082 in St. Croix or 774-3320 in St. Thomas.
