September 27, 2021

## **PUBLIC NOTICE**

Commissioner Jean-Pierre L. Oriol of the Department of Planning and Natural Resources informs the public that the following St. Croix Coastal Zone Management (CZM) Committee Meeting is scheduled for Thursday, September 30, 2021, at 4:00 pm. In an effort to help to reduce the global spread of the coronavirus (COVID-19), this meeting will be held via the video conferencing platform Zoom.

The agenda is as follows:

*Decision Meeting (public testimony will not be heard):*

1. DIAGEO USVI, Inc. (Major CZM Permit No. CZX-10-09(L)) requests to further modify this permit to allow for the construction of a Lined Evaporation Pond (LEP) which will serve as a key component of the existing Wash Water Treatment System. The LEP will be used to responsibly manage any treated bio-condensate that is not re-used at the facility and a continuous small stream of wastewater resulting from the site's reverse osmosis systems and unit blowdowns. The 10-acre pond is to be located in the existing Upper Cooling Pond located on the St. Croix Renaissance Group, LLLP Property. The proposed project site is located at #1 Estate Anguilla at 17°42'15.0"N 64°46'48.5"W in the South Shore Industrial Area, St. Croix, Virgin Islands.
2. Grapetree Capital (Major CZM Permit No. CZX-31-19(L)) requests permission to modify its permit to allow for the construction of roofs on two (2) existing buildings. The proposed project is located on Plot No. 10 Estate Grapetree, St. Croix, Virgin Islands.

The project details are available for public review at <https://dpr.vi.gov/czm/programs-viczmp/coastal-zone-permitting-viczmp/>

The following information should be used to participate in the meeting:
