**DPNR AND FRIENDS TO HOST OUTDOOR DOCUMENTARY NIGHT**

Commissioner Jean-Pierre L. Oriol of the Department of Planning and Natural Resources announces that the Division of Coastal Zone Management (CZM) in collaboration with *FRIENDS OF THE ST. CROIX EAST END MARINE PARK* will host an outdoor documentary night on Friday, April 22<sup>nd</sup> at Estate Great Pond Park (old Camp Arawak) from 7:30 p.m. to 8:30 p.m.

Join CZM staff and volunteers in celebration of Earth Day 2022 for the outdoor viewing of **PUFF: WONDERS OF THE REEF**. This documentary follows the life of a juvenile puffer fish and offers the perspective of a diverse coral reef from the eyes of a fish and other small organisms.

Participants are encouraged to bring flashlights, a blanket or chair, and to wear long sleeves for protection against mosquitoes. Restrooms will be available. Participants are also asked to arrive at least 15 minutes before the film.

This is a free educational event, suitable for all ages. RSVP is required as space is limited. Interested parties can RSVP on Eventbrite ([eventbrite.com](http://eventbrite.com)) by searching "STXEEMP Outdoor Documentary Night".
