APPLICATION FOR SOIL BORING PERMIT

In compliance with Title 12, Chapter 5, Virgin Islands Code, the undersigned

Name of Driller & License Number

Mailing Address

Telephone Number

Hereby applies for a permit to:

_____ Install a soil boring

On the property:

(Name of Property Owner)

(Estate, Lot Number and Island)

(Mailing Address/ Telephone Number)

(Property Tax Number)

The soil boring will be drilled to the approximate depth of _____ feet and will be _____ inches in diameter.

Purpose of soil boring

The attached sketch (property map from Cadastral Survey) shows location of proposed soil boring relative to existing buildings or other physical features, the location of existing wells on the property or nearby adjacent properties, and the location of all known sources of contamination in the vicinity.

To prevent contamination of subsurface soils and the ground water aquifer, the soil boring will be sealed upon completion of drilling activities. The soil boring will be tremie-grouted with a cement-bentonite mixture to the surface.

A log showing the various strata or formations intersected by the soil boring, depth to first water encountered, static water level, etc., will be forwarded to the Division of Environmental Protection within 30 days after completion of drilling operations.

_____ Fee of \$10.00 is attached. (If check, please make payable to the Government of the Virgin Islands).
