This form is used when paying application or annual discharge fees for a construction general TPDES permit. 12 VIRR § 184-35(b) requires permit applicants and permittees to pay:

- an application fee when applying for a new or renewed TPDES permit;
- an annual discharge fee each year (or partial year) in which the permit is in effect; and
- a special fee when applying for certain modifications to an existing permit

I. FEE PAYMENT: After you have completed section V below (Determining Your Fee Payment) complete this section to indicate the type of fee you are paying and the amount.

I am paying (check one):

- an application fee because I am applying for new or renewed coverage under the CGP
- an annual discharge fee
- a special application fee to modify coverage under the CGP

The amount of my fee is [enter number determined below in section V, Determining Your Fee Payment]. \$ _____

Submit the fee payment and this form, in person or by mail, to one of the addresses below. For application fees, submit your payment and form with your NOI or permit application.

Minor modifications are defined in 12 VIRR §184-75 as modifications that only:

- (a) Correct typographical errors;
- (b) Require more frequent monitoring or reporting by the permittee;
- (c) Change an interim compliance date in a schedule of compliance, provided the new date is not more than 120 days after the date specified in the existing permit and does not interfere with attainment of the final compliance date requirement; or
- (d) Allow for a change in ownership or operational control of a facility where the Director determines that no other change in the permit is necessary, provided that a written agreement containing a specific date for transfer of permit responsibility, coverage, and liability between the current and new permittees has been submitted to the Director.
- (e) Delete a point source outfall when the discharge from that outfall is terminated and does not result in discharge of pollutants from other outfalls except in accordance with permit limits.
- (f) Incorporate conditions of a POTW pretreatment program that has been approved in accordance with the procedures in 40 CFR 403.11 (or a modification thereto that has been approved in accordance with the procedures in 40 CFR 403.18) as enforceable conditions of the POTW's permits.
