## DPNR-STX CHANGES COMMERCIAL CATCH REPORT DROP BOX LOCATION

Commissioner Jean-Pierre L. Oriol of the Department of Planning and Natural Resources announces on behalf of the Division of Fish and Wildlife (DFW) that the Commercial Catch Report (CCR) drop box located at Gallows Bay Marine has been relocated to the boat ramp at Altona Lagoon due to the closure of the store.

The Division reminds all commercial fishers that they must submit their commercial catch reports monthly in order to renew their fishing license. Commercial Catch Reports can be submitted at any of the drop box locations around the island or at the DFW office in Mars Hill.

For more information or questions, please contact the Division of Fish and Wildlife at [DFWelectronic@usiv.onmicrosoft.com](mailto:DFWelectronic@usiv.onmicrosoft.com) or 340-773-1082 (STX Office).
