PUBLIC NOTICE

Commissioner Jean-Pierre L. Oriol of the Department of Planning and Natural Resources informs the public that the following St. John Coastal Zone Management (CZM) Committee Meeting is scheduled for Wednesday, May 13, 2026, at 4:00pm. This meeting will be held via the video conferencing platform Microsoft Teams.

The agenda is as follows:

Public Hearing (Testimony will be heard)

Public Hearing for Federal Consistency Determination No. CZM0006-26- Virgin Islands Department of Sports Parks and Recreation- Winston Wells Ballpark Concession Kiosk and Bleachers Demolition and Construction. The project consists of the demolition and construction of an approximately 650 square-foot two-story circular reinforced concrete gazebo pavilion and a 680 square-foot reinforced concrete dual bleacher system to improve resilience and restore the essential community recreational infrastructure. The project is located at Parcel 302, Estate Contant & Enighed, St. John, U.S. Virgin Islands.

Decision Meeting (Testimony will not be heard)

Decision Meeting for Major Coastal Zone Management No. CZMO-MJ0001 26- The Westin Hotel, St. John- Modification. The project proposes to install a new larger Reverse Osmosis Plant (RO) due to its current water demands. The new building will be constructed to house the new RO, and a new larger diameter seawater intake line will be installed. The existing seawater RO intake line is 8 inches in diameter and new line will be 12 inches in diameter. The project is located at The Westin Resort, St. John, Parcel 300A, Estate Chocolate Hole Great Cruz Bay, St. John, U.S. Virgin Islands.

Decision Meeting (Testimony will not be heard)

Decision Meeting for Federal Consistency Determination No. CZM0046 25- Virgin Islands Fire and Emergency Services- Robert O'Connor Fire Station Reconstruction Project. The project proposes demolition and reconstruction of the fire station. The new structure will be two (2) stories measuring approximately 9,300 gross square feet. The proposed facility will be constructed in virtually the same footprint as the existing with a minor expanded footprint to accommodate the additional square footage. The existing facility will be demolished prior to the commencement of new construction. The project site is located at Estate Enighed Parcel No. 303, Cruz Bay Quarter, St. John, VI 00801.

The following information should be used to participate in the meeting:
