Honorable Jean-Pierre Oriol
Commissioner
Department of Planning and Natural Resources
45 Estate Mars Hill
Frederiksted, STX 00840

Dear Commissioner Oriol:

The Virgin Islands Fire and Emergency Medical Services (VIFEMS) hereby transmits modified drawings for the Robert O'Connor Fire Station Reconstruction Project (Project No. 188966) for review by the St. Thomas/St. John Coastal Zone Management Committee (the Committee).

The modifications address the concerns raised by the Committee in the Federal Consistency Determination Decision Meeting held on January 27, 2026, and the subsequent meeting held on January 30, 2026.

Upon review of the revised designs, we are hopeful that the Committee will find the project consistent to the maximum extent practicable with the Virgin Islands Coastal Zone Management Program

Should you have any questions or require additional information, please do not hesitate to contact our office.

Respectfully,

Antonio Stevens
