Mr. Mark Randy Hamlin
For client St. Thomas Yacht Club
Estate Nazareth 8-57-3 and 8-58
St. Thomas, VI 00802

**Ref: VISHPO No Objection Determination – Proposed Ground-Mounted Solar Array,
St. Thomas Yacht Club, Estate Nazareth, Parcels 8-57-3 & 8-58, St. Thomas, VI**

Dear Mr. Hamlin:

The Virgin Islands State Historic Preservation Office (VISHPO) has reviewed the proposed installation of a ground-mounted solar array at the St. Thomas Yacht Club, located on Parcels 8-57-3 and 8-58, Estate Nazareth, St. Thomas, Virgin Islands. Based on the information provided, VISHPO has no objection to the project proceeding as planned.

Although no known archaeological or historic resources have been identified on the site, subsurface conditions remain unknown. Therefore, in the event that any archaeological materials, historic features, or human remains are encountered during ground-disturbing activities, the applicant must immediately notify VISHPO and the Division of Coastal Zone Management (CZM) by telephone and email. Failure to report such discoveries, or any intentional concealment or disturbance of cultural resources, may result in civil and/or criminal penalties under applicable territorial and federal laws.

We appreciate your commitment to preserving the cultural heritage of the Virgin Islands. Thank you for the opportunity to review this project.

Sincerely,

Sean L. Krigger
Director and Deputy SHPO
